

# SOMEWHERE OVER THE RAINBOW

De "El Mago de Oz"

Música: Harold Arlen

Letra: Yip Harburg

I                      IIIIm                      IV                      I                      IV

Some where                      o - ver the rain - bow                      way up                      high                      there's a  
Some where                      o - ver the rain - bow,                      skies are                      blue,                      and the  
Some - where                      o - ver the rain - bow,                      blue birds                      fly,                      birds fly

6                      I    V    I

land that I heard of                      once in a lu - lla - by  
dreams that you dare to                      dream real - ly do come true  
o - ver the rain - bow,                      why,                      so oh why can't I?
